“Choose Courage”

– FECA Student Retreat 2011

40 Day Prayer Guide

“prayer can do anything that God can do” [E.M. Bounds] ... we expect much, but pray little ... we desire revival, but lack faith ... if we genuinely want to see God work at “**Just 1**”, we need to earnestly tap into the heart of God through prayer ... this 40-day prayer campaign, “without ceasing” endeavors to prepare us for God’s work during this life changing weekend ... pray regularly, persistently, specifically, and boldly ... pray without ceasing

This is the confidence we have in approaching God: that if we ask anything according to His will, He hears us. And if we know that He hears us – whatever we ask – we know that we have what we asked of Him. [1 John 5:14-15, NIV]

there is a chapter of Psalms and prayer request for each day ... this is merely a simple guide for praying for “**Choose Courage**” ... do not limit your prayers to this paper ... the greater the faith in your prayers, the greater the possibilities of God’s work
